Dear Sir or Madam:

The California Air Resources Board (CARB) invites you to join us on Wednesday, August 29, 2007, at 9:00 a.m. (PST) for a meeting of the Consumer Products Workgroup. This is the first meeting regarding the development of consumer products regulations that will be presented to the Board in June 2008. Specifically, we intend to discuss the regulatory schedule, the State Implementation Plan, emissions inventory updates, as well as an update on the 2006 Survey, including our plans to conduct a survey training webinar. We also will discuss innovative emission reduction concepts, reactivity, plans concerning greenhouse gas emissions, and California's Green Chemistry Initiative. The agenda and other materials for the workgroup meeting will be posted to the website listed below one week prior to the meeting. Notification will be sent via the list serve when the materials are posted.

We look forward to your participation in the upcoming regulatory process. We plan to hold the meeting at CARB's Monitoring and Laboratory Division Building, 1927 13th Street, Conference Room, in Sacramento, California. You may attend in person or participate via teleconference. The following information is needed to participate via teleconference:
